

Flow Within Us  
By Ernie McArthur

May the love for Jesus Christ. May the love for Jesus Christ  
May the love for Jesus Christ flow within us  
May the faith in God above. May the faith in God above  
May the faith in God above flow within us

Chorus:

Flow within us    Within  
Flow within us    Within  
Flow within us    Within us    Within

May the praises to our King. May the praises to our King  
May the praises to our King, flow within us  
May the Spirit of the LORD. May the Spirit of the LORD  
May the Spirit of the LORD, flow within us

Chorus:

Flow within us    Within  
Flow within us    Within  
Flow within us    Within us    Within

Bridge:

Holy Spirit come and fill our senses  
With the love of Jesus and Your powers  
Use us now to spread the Holy Gospel  
And to fill this world with Your desires

May the love like Jesus has. May the love like Jesus has  
May the love like Jesus has, flow within us  
May the glory of the LORD. May the glory of the LORD  
May the glory of the LORD, flow within us

Chorus:

Flow within us    Within  
Flow within us    Within  
Flow within us    Within us    Within

Flow within us    Within  
Flow within us    Within  
Flow within us    Within us    Within

Flow within us    Within  
Flow within us    Within  
Flow within us    Within us    Within

Flow within us    Within us    Within  
Flow within us    Within us    Within
