

Great and Awesome God
By Ernie McArthur

Chorus:

You are a great and awesome God
A great and awesome God
You are a great and awesome God
Heavenly Father. Heavenly LORD

You are the One Who holds the world in His Hands
You are the One Who gives the angels commands
You are the One Who gives us hope for each day
You're always near yet Heaven is Your Home

My God's the One, Who gives us healing from pain
He is the One, Who gives us strength to maintain
My God's the One, Who gives us our daily bread
He is the LORD and holy is His Name

Chorus:

He is the great and awesome God
My great and awesome God
He is the great and awesome God
My Heavenly Father. Heavenly LORD

My God's the One Who gives us all of our time
His every thought and way is higher than mine
My God's the One Who gives us hope for each day
God's always near yet Heaven is His Home

You are the the One, Who answers prayer when we pray
You are the the One, Who wants us back when we stray
You are the the One, Who gives us our daily bread
You are the the LORD and holy is Your Name

Chorus:

You are the great and awesome God
The great and awesome God
You are the great and awesome God
Heavenly Father Heavenly LORD
Heavenly Father Heavenly LORD
