

I Believe in the Creator's Love
By Ernie McArthur, Robb Blanchette, Kathy Blanchette

We were created to love and to honor
The Heavenly Father above
You are the Lord, the Almighty Creator,
You always offer us Your love

Chorus:
I believe
I believe
I believe in the Heavenly Father above
I believe in the Creator's love

All of life changed in the Garden of Eden
When Adam and Eve brought You shame
You sent us Jesus to teach us and free us
From Satan's evil domain
Thank You, Father

Chorus:
I believe
I believe
I believe in the Heavenly Father above
I believe in the Creator's love

Bridge
I believe You created me
Sent Your Son to set me free
That He rose up from the grave
Victoriously

Chorus:
I believe
I believe
I believe in the Heavenly Father above
I believe in the Creator's love

You are my Strength, my Redeemer and refuge
And You are the fountain of life
You have the answers to all of our questions
You always love us in spite
Of our disbelief.

Chorus:
I believe
I believe
I believe in the Heavenly Father above
I believe in the Creator's love
I believe
I believe
I believe in the Heavenly Father above
I believe in the Creator's love
