

## I Will Stand

By Joyce Groom, Robb Blanchette, Kathy Blanchette

### Chorus:

I will stand I will stand  
Like a rock against the waves I will stand  
The Word of God will carry me Through all the stormy seas  
It is manna to my soul And I will stand

I hear reports of evil  
In our country everyday  
Problems so alarming  
I dismay  
Then I open up God's Word and read  
That He's the Sovereign Lord  
God's plan is real  
My victory is assured

### Chorus:

I will stand I will stand  
Like a rock against the waves I will stand  
The Word of God will carry me Through all the stormy seas  
It is manna to my soul And I will stand

God's Word is my anchor  
When I'm tossed about at sea  
And I cry, Help me Lord  
Hear my plea  
Then I find You in the Holy Book  
Your peace I find within  
I find hope  
I find power  
I can stand

### Bridge:

Standing, standing  
I'm standing on the promises of God

When you think you're going under  
And life's burdens overwhelm  
Search the Word for answers  
That you need  
Trust His promises are true,  
And that they apply to you  
Don't give up  
Stand upon them  
And believe

### Chorus:

You can stand You can stand  
Like a rock against the waves You can stand  
God's Word will carry you And Christ will see you through  
It is manna to your soul And you will stand  
It is manna to your soul And you will stand
