

Rejoice  
By Robb and Kathy Blanchette

Chorus:  
Rejoice, rejoice, rejoice  
Again I say rejoice  
When chains and trials have you bound  
Rejoice, rejoice, rejoice

When life's small problems get you down  
Your joy just can't be found  
Remember Christ, He died for you  
And rose up from the ground

Chorus:  
Rejoice, rejoice, rejoice  
Again I say rejoice  
Don't sweat the small stuff, call on Him  
Rejoice, rejoice, rejoice

Sometimes your friends will let you down  
You feel you're all alone  
There's One who cares, He's always there  
He sits upon the throne

Chorus:  
Rejoice, rejoice, rejoice  
Again I say rejoice  
Look to the Lord, He will restore  
Rejoice, rejoice, rejoice

With stress and conflict all around  
A battle's raging on  
Stand firm in faith, raise up your shield  
The enemy must run

Chorus:  
Rejoice, rejoice, rejoice  
Again I say rejoice  
In Christ your victory is found  
Rejoice, rejoice, rejoice

Rejoice, rejoice, rejoice  
Again I say rejoice  
When chains and trials have you bound  
And your whole world is upside-down  
In Christ your victory is found  
Rejoice, rejoice, rejoice
